6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

PHA Policy

Overview

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship. The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the TTP is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

PHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.

- (4) A death has occurred in the family.

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by the PHA.

PHA Policy

The PHA has not established any additional hardship criteria.

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004)

The Paw Paw Housing Commission has gone under transition since the implementation of the 2000-2004 5-Year Plan. Through the transition period we have managed to update and upgrade our policies to better manage our waiting lists and residents already living here. We believe that we have progressed forward in a positive manner, being more pro active in tracking CFP monies, updating and upgrading our facilities to better accommodate the elderly and disabled, and by becoming more aware of housing needs in our area.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

Changes in the following areas may qualify as a "significant amendment or modification":

- (1) Changes to rent, i.e., increasing or decreasing the minimum rent;
- (2) Changes to the admissions policies and organization of the waiting list;
- (3) Additions to non-emergency work items, (items not included in the current Capital Fund Program (CFP) Annual Statement or 5-Year Action Plan), or a change in the use of reserve funds, if any, under the Capital Fund Program;
- (4) Any change with regard to demolition, disposition, designation, homeownership programs, or conversion activities.

Changes to the Paw Paw Housing Commission's internal policies that regulate administrative functions such as the travel policy or check-signing policy that are not covered in the Agency Plan are not included in the definitions or examples listed above.

Changes to the Paw Paw Housing Commission's Public Housing Admissions and Continued Occupancy Policy that clarify or expound on existing policies included in the PHA Plan are not considered for the purpose of the definition of "significant amendment or modification."

Changes to the Paw Paw Housing Commission's policies included in the Annual Plan and Agency Plan that are a result of regulatory requirements are also not

considered by the Paw Paw Housing Commission and the Department of Housing & Urban Development to be significant amendments.
